## 2018 Ends with a Bounty of Blessings

### Freezing for Food!

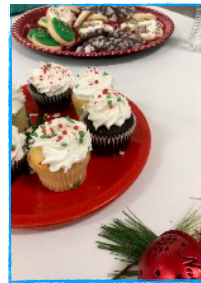

Sunny 97.7 WMOI's 18th Annual Community Food Drive is believed to have been a record breaker! Helping Hands was blessed with 4470 pounds of food, half of what the event brought in, the other portion going to Jamison Center Food Pantry.

Once again, temps were downright chilly but the support of the community made the cold extremities worth it!

Thank you WMOI staff and all those who contributed through donations of time and funds.

### Christmas in the Village

Just over \$300 was donated in exchange for a selection or two from the dessert table that Helping Hands hosted at this year's holiday celebration. These

funds help the Pantry to continue the work of offering local families in need a little help in putting more food on their table.

### Roseville Health Care Resident Council Donation

Howard Parsons, Resident Council President, presents a check to Helping Hands of Roseville President Cheryl Britt and Donations Secretary Karen Larkin. The generous gift is deeply appreciated by the Pantry.

### Community Support

Helping Hands Pantry is honored to be thought of by these organizations during their Christmas sharing events.

Each image shows only a portion of the donation brought in by each group!

It's kind and thoughtful sharing like this that keeps Helping Hands' doors open and food to offer hungry families.

*Thank you one and all!*
