JULY 2019 MARKS THE BEGINNING OF THE

OF COMMUNITY SERVICE
IN WARREN COUNTY FOR
HELPING HANDS OF
ROSEVILLE FOOD PANTRY

The support of the community through volunteer hours, funds, and prayers have enabled the food pantry to open its doors and keep the shelves stocked through the past seven years. Thank you for your partnership in this mission.

Here's to the year ahead!

June marks the halfway point of the year and the time when Sunny 97.7 WMOI Radio hosts their annual summer food drive. Helping Hands of Roseville is blessed to be one of the two beneficiaries, the other being Jamesion Center Food Pantry. The Roseville pantry received just over 2400 pounds of shelf stable goods thanks to the generosity of the radio station's efforts, the event's sponsors, the community, and the many volunteers who participated in support of the event.

Helping Hands of Roseville wishes to thank all who contributed through donations of time and/or money. The food received will help stock the shelves for months to come and ease the burden of food insecurity in Warren County.
