OSF Mission Integration Team Donates to Local Pantries.

Throughout the month of January a food and supply drive was held by the Mission Integration Team of OSF Health Care for the benefit of the local food pantries Jamieson Community Center, First Christian Church, and Helping Hands of Roseville. A selection of shelf-stable proteins, fruits, and vegetables were collected as well as a variety of paper and personal products.

Additionally, the Mission Partner Activity Committee hosted a *Jeans Day for a Cause*, raising \$96.00 which was split among the three pantries.

Helping Hands wishes to thank these OSF groups and those that supported their projects. The supplies will be much appreciated by the families who will be visiting in the coming weeks.

A Birthday Party Benefits Helping Hands

Friends Hannah Neubauer, Ryker Trego, and Jesus Arteaga celebrated their birthdays together with a party. They asked guests to bring along a food donation for Helping Hands. Such thoughtfulness is inspiring!

The Pantry thanks these three wonderful young people for sharing with their community in this special way.

The Happy Hustlers Gather in the Goods!

Once again this 4H Club went to work on behalf of the shelves of Helping Hands and brought in all sorts of shelf-stable foods and paper products.

A heart-felt thanks goes out to this caring group of young people and their leaders.
