## Hunger in America (from feedingamerica.org)

Millions of children and families living in America face hunger and food insecurity every day.

- Due to the effects of the coronavirus pandemic, more than 50 million people may experience food insecurity, including a potential 17 million children.
- Households with children are more likely to experience food insecurity. Before the coronavirus pandemic, more than 10 million children live in food-insecure households.
- Many households that experience food insecurity do not qualify for federal nutrition programs and need to rely on their local food banks and other hunger relief organizations for support.

• Every community in the country is home to families who struggle with food insecurity including rural and suburban communities.

*Facts such as these inspire Helping Hands of Roseville to remain devoted to serving the families of Warren County who need a little extra help putting food on their table.*

Roseville's Food Pantry can continue its mission of feeding hungry people because the community continues to support the organization.

Helping Hands thanks the following individuals and groups who shared in February 2021:

#### In Conclusion~

Members of the Board of Helping Hands serve two 3-year terms. March 31st is the finish line for three of the Pantry's current members: Karen Starbuck, Cheryl Britt, and Denise McIntyre.

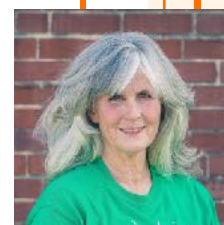

Karen has assisted in a number of roles, including office supply manager and public relations committee member. Her guiding advice and upbeat demeanor have been an encouragement in the management of the pantry's activities. Thank you, Karen, for your devotion and true concern for the success of the pantry.

Cheryl has served in a variety of capacities as well, including officer in the presidential role, fund raising, and food committee member. Cheryl's passion for the pantry has been inspiring to those lucky enough to work alongside her. Thank you, Cheryl, for your sincere love for HH.

Denise has been a part of the food committee and the PR department for all of her six year involvement. As newsletter editor, I am taking this opportunity to express my personal thanks for the chance to have worked with so many wonderful people, both within the HH volunteer group and others from the community and associated food banks that HH partners with. I have been blessed for having been a part of this mission.

The Pantry is blessed to have these vacancies filled by three wonderful individuals willing help in carrying on the service of easing food insecurity in Warren County. Look for that announcement in an upcoming issue of the Helping Hands of Roseville Newsletter.
